## 1. INTRODUCTION:

Disability is defined as a lack of ability to perform an activity in the manner considered normal for a human being. It is estimated that 5% population (approx) suffer from one or other form of disability. Malnutrition, lack of hygiene, inadequate/delay in medical services, infectious diseases, accidents, etc. may cause impairment leading to disability. For rehabilitation of such persons, the appropriate services need to be widely available.

The disability has been broadly grouped as:

- i) Locomotor disability
- ii) Hearing impairment
- iii) Mental retardation & mental illness.
- iv) Blindness or low vision.

The Government, NGOs and civil society institutions have been providing services to the persons with disabilities since long, but these efforts have gained momentum since 1970's when the decade was marked by a new approach to disability with the concept of "Rights for Disabled Persons". The United Nations took the lead and issued declarations relating to Rights to the Disabled Persons (1975). The decade 1983-92 was declared as the "Decade of the Disabled Persons". This was followed by the "Asia and Pacific Decade of Disabled Persons" (1993-2002). The standard rules for the equalization of opportunities for persons with disabilities were adopted by the UN General Assembly in 1993.

Since 1970, Ministry of Social Justice and Empowerment, Govt. of India has established several Institutions to train professionals/manpower in the field of rehabilitation. There are four National Institutes viz. National Institute for Locomotor Disabilities (NILD) at Kolkata, AYJ National Institute of Speech and Hearing Disabilities at Mumbai, National Institute for the Empowerment of Persons with Visual Disabilities at Dehradun, National Institute for the Empowerment of Persons with Intellectual Disabilities at Secunderabad and two apex Institutes, viz., Swami Vivekanand National Institute of Rehabilitation Training and Research at Cuttack and Pt. Deendayal Upadhyaya National Institute for Persons with Physical Disabilities at New Delhi.

These Institutes are conducting training programs at Degree and Postgraduate level in their respective disciplines. The Institutes also carry out research; develop models of rehabilitation services, manpower development, and clinical & therapeutic services. They also have extensive outreach programs so that services are available in a decentralized manner. Over the years, the Institutes have trained thousands of professionals who are working all over the Country and abroad. In addition to the above, the Ministry has also established Composite Regional Centres, District Disability Rehabilitation Centres, supporting to voluntary action programs and National Program of Rehabilitation of

Persons with Disabilities under state sector scheme. For further information website: <http://www.socialjustice.nic.in> may be visited.

## **2. THE INSTITUTE:-**

SVNIRTAR was established as an autonomous body under DEPwDs (DIVYANGJAN), Ministry of Social Justice & Empowerment, Govt. of India in early eighties with the following aims and objectives.
